

Save the date: Tuesday 25 September 2018 Kick-start your course redesign

Who can apply?

Twenty-four qualified teachers who want to renew/redesign their course or module.

What are we going to do?

In the workshop teachers will start to redesign a course or module. They will choose one learning objective to redesign the learning and teaching activities, materials, support and assessment matching that learning objective. In this redesign, the emphasis will be on activating, blended education..

How are we going to do that?

We will work as required by the Carpe Diem method. Coaches will support the teachers in the redesign process and teachers will inspire and help each other.

Venue

Faculty of Humanities of the Leiden University

When?

25 September 2018, from 9AM to 1PM

How can I apply?

Send a proposal by email to info@educationandlearning.nl before September 15th

In this proposal, you should specify your subject and the learning objective you wish to tackle in redesigning the learning and teaching activities and assessment. Also specify your ambition: why do you wish to redesign and what do you want to accomplish?

We will work on a 'first come, first served' basis. The first 24 proposals will be accepted to join **Kick-start your course redesign**
